Dear Parents,

It is almost April and as the grass begins to turn green and the temperatures steadily climb many of our minds start to turn to outdoor activities. Baseball, softball, track and did I mention golf! Yes, who doesn't love golf? Our biggest fundraiser is going to be on June 21st this year. The planning has already begun and we again will need many volunteers before and during the outing. In the next few weeks be looking for more information about this exciting event and please mark the date on your calendar as we would love to see many St. Mary Families at this year's event.

God Bless,

Steve Castrogiovanni

MIDDLE SCHOOL MUSICAL

AMAZING! That is all that can be said about our musical this year. The students did a tremendous job. The talent in this building is so incredible. I want to take a few moments and thank all of the teachers, parents, alumni, and former teachers that put so much effort into putting on this musical for our parish. This year we raised approximately \$1500. This money will continue to assure that our students have the opportunity to study the fine arts and explore their many talents

DRESS CODE

As the weather begins to change and get warmer, students begin to ask me when can I wear shorts? Students may begin to wear shorts and skirts without leggings as of April 1st. Please do pay attention to the weather as there may be a few chilly days ahead and as long as it is not raining we will be going outside for recess.
