Dear Parents,

As I look over to the right I notice that I almost do not have enough room to fit all of the events that will be happening in the next few weeks. All of these events show what a vibrant and active school community we have here at St. Mary's. I want to take this opportunity to thank all of the many volunteers who help to make this school great, without all of you we would be hard pressed to provide the quality educational experiences for your children. As we wrap up teacher appreciation week I just wanted to let you know how much our school appreciates all of you!

God Bless,

Mr. Castrogiovanni

GOLF OUTING

As many of you know the golf outing will be held on Wednesday, June 21. This is our schools biggest fundraiser and the money that is made is used to help our school in many different ways. In order for this outing to be successful we need golfers. Registration sheets are in today's family envelope. For those of you who do not golf we have provided a dinner only option on the registration form. We hope that many of you will be able to join us on this day. The day is a great way to enjoy the fellowship and fun of our school community and help our school provide the best possible educational experience to your children.

8TH GRADE TRIP

Every year our 8th graders embark on a journey to our nation's capital. Next Monday our 8th graders and 3 chaperones will leave on their trip. Please keep them in your prayers that they may have a safe and enjoyable trip and return home safely.

BUSY ENVELOPE

WOW! There are a lot of events going on at our school this month. It always seems like May is so busy at school with field trips, picnics, celebrations and masses. This envelope has many different permission slips that will need to be signed. Thank you in advance for filling these out and sending them in in a timely manner.
